LET YOUR INVESTMENTS PAY YOU BACK, REGULARLY.

Systematic Withdrawal Plan (SWP)

Systematic Withdrawal Plan (SWP) gives you the opportunity to get regular income while continuing to build wealth over the long term. By giving you the option to regularly withdraw a portion of your investment over a period of time, it is the smart option for those seeking a regular income, for example at retirement.

Benefits of SWP

- **Generates regular cash flow**
  By giving you regular payouts, you get the benefit of regular income at fixed intervals, much like a salary

- **Continues building wealth**
  Since your money is still invested, it can continue to generate returns until the last payout or until you stop the payouts

- **Flexible withdrawal options**
  You can opt for payouts on monthly, quarterly and half-yearly as per your needs

- **Tax efficient returns**
  Returns are potentially tax efficient based on withdrawals as applicable*
