8	Description, Objective of the scheme	To generate long-term capital appreciation from a diversified portfolio of predominantly equity and equity related securities, including equity derivatives, in the Indian markets with key theme focus being emerging companies (small cap stocks). The Scheme could also additionally invest in Foreign Securities. Emerging companies are businesses which are typically in the early stage of development and have the potential to grow their revenues and profits at a higher rate as compared to broader market. There is no assurance that the objective of the Scheme will be realised and the
