PROPOSAL SENT TO GST COUNCIL

28% online gaming tax to stay

PRASANTA SAHU New Delhi, November 22

A GROUP OF ministers (GoM) on casinos, race courses and online gaming on Tuesday decided not to change its earlier recommendation for a uniform 28% tax on the full value of the consideration on all the three. This paves the way for the GST Council to go for a 28% tax on online gaming on the full value, including prize money, both for skilled and unskilled games. Currently, an 18% tax is levied on the platform fee.

"All the states have reiterated their earlier stance (28% tax on full value) and the view will be communicated to the GST Council in the form of a report for a decision on the matter," West Bengal finance minister Chandrima Bhattacharya, who attended the meeting, told *FE*.

In the GST Council meeting on June 29, Union finance min-

In the GST Council meeting on June 29, Union finance minister Nirmala Sitharaman, who is the chair of the federal body, gave 15 more days to the GoM to

relook into the taxation issues after the Goa government flagged some concerns about casinos. However, the GoM could not arrive at any further decision due to divergent opinions.

The GoM, in its first report in June, had recommended that in the case of online gaming, the activities should be taxed at 28% on the full value of the consideration, by whatever name such consideration may be called, including contest entry fee, paid by the player for participation in such games.

Since GST is levied on online skill-based gaming at 18% currently on the platform fee (up to 20% of the contest entry fee), the tax incidence on the gaming industry will rise if the proposal is implemented.

In the case of racecourses, the GoM had earlier said that GST should continue to be levied at the rate of 28% on the full value of bets pooled in the totalisator and placed with the bookmakers. In the case of casinos, GST should be applied at the rate of 28% on the full face value of the chips/coins purchased from the casino by a player, it said.

In the case of casinos, once GST is levied on the purchase of chips/coins (on face value), no further GST to apply to the value of bets placed in each round of betting, including those played with winnings of previous rounds, the GoM had said in the first report.

ernment will organise roadshows in 18 countries and seven major domestic cities to "invite industrial investors to (participate in) the summit". Addressing a curtain-

raiser in the national capital, Adityanath said the UP government has approached more than 40 countries for support, of which 21 have "expressed their enthusiasm to participate". Among nations that have confirmed their participation in the GIS as partner countries are the UK, the Netherlands, Denmark, Singapore and Mauritius, he said.

Assuring investors that UP has established rule of law in the state, he said, "Through our zero-tolerance policy towards crime and criminals, we have assured our investment partners of security." Adityanath said UP's business climate has significantly improved over time as a result of offering effective policy assistance and infrastructure.

Food ministry to convert 212K PDS shops into common service centres

SANDIP DAS

New Delhi, November 22

FOR ECONOMIC VIABILITY of fair price shops (FPS) through generation of additional revenues, the food ministry is aiming to convert around 212,000 of these outlets into common service centres (CSCs) which are expected to provide a host of services.

Currently, 38,000 public distribution system (PDS) outlets have been turned into CSCs following a memorandum of understanding between the department of food and public distribution and the ministry of electronics and information

technology in September 2021. Sources told *FE* that 212,000 FPS have been shortlisted for

onboarding as CSC soon. Most of the revamped PDS outlets are in Gujarat, Uttarakhand, Himachal Pradesh, Madhya Pradesh, Jharkhand, Rajasthan and Tamil

These PDS outlets, along with supplying foodgrains to 800 million beneficiaries under the National Food Security Act (NFSA), provide a host of services such as registrations for Aadhaar and PAN cards, booking of train tickets, checking of bank balance and accessing information relating to eligibility of various schemes.

Food ministry officials told FE that many of these outlets revamped as CSC are also providing services such as selling FMCG products and booking offices for auto manufacturers.

Currently, there are 5.34 lakh FPS in the country, distributing on an average 60-70 million tonne of subsidised foodgrain annually under NFSA to more than 800 million beneficiaries. Official sources said there is scope of generating additional income from FPS as a large number of people visit these outlets for getting their monthly entitlement of grains.

FPS owners currently get a commission of ₹143/quintal for food grain supplied under NFSA in hilly and N-E states while they receive ₹70/quintal in rest of the states.
