## REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION

## To the Board of Directors of L&T Finance Holdings Limited

We have reviewed the accompanying statement of unaudited financial results of **L&T Finance Holdings Limited** (the 'Company') for the six months period ended September 30, 2014 except for the disclosures regarding 'Public Shareholding' and 'Promoters and Promoter Group Shareholding' which have been traced from disclosures made by management and have not been audited by us. This statement is the responsibility of the Company's management and has been approved by the board of directors on October 22, 2014. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards prescribed by section 133 of the Companies Act, 2013 read with rule 7 of the Companies (Accounts) Rules, 2014 and other recognized accounting practices and policies has not disclosed information required to be disclosed in terms of clause 41of the listing agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
